A Letter From The Editor: Lizard Master

In light of recent events that have occurred at Ely High School, and due to the school's paper failing to report them, I have deemed it very necessary to produce a newsletter that will shed light on the REAL issues which are facing us today. Not once have I seen any word of Christopher Lloyd's appearance and enrollment at Ely. Not once have I seen the Ely newspaper touch upon his endeavors and his latest alliance. This

newspaper will address these issues. Issues that most affect us and all MAN KIND. Real issues, not who scored highest on a certain test, or how well our Basket Weaving team did in county competitions. We will focus on real issues, such as: The Latest AP Polls, The Llama and his supposed twin brother, (You Know Who's) Latest Death Curse List, Funny Jokes (by a certain well known & famous teachers), and, of

course, Christopher Lloyd and Ratboy (Pictured above). However a newspaper publishing such truths is very dangerous. To protect the writers as well as the readers, aliases will be used at ALL times. I have become known as: The Lizard Master (Used most Freq.), The Palex, Bruce Lee, and some people say I have an uncanny look for John Candy. -TLM
